Mike Clark

MG covered the usual Health and Safety Issues.

1 & 2. There were no **Visitors, Apologies nor Conflicts of interest.**

3. Minutes of last meeting.

Minor amendments noted and corrected.

There were no matters arising.

Note:- Due to one member needing to leave early agenda items were taken out of order and there was a degree of overlap between items.

8 & 9. There was a general discussion which covered responses to AA, the Parish Council and in particular Jane Brook regarding a further draft of a message she had asked NCRA to send out to our membership. There was confirmation of an earlier agreement not to respond again to AA unless there was something significantly different that deserved an answer. On the other two issues it was decided that Committee members would send comments to MG by email a.s.a.p. on drafts which he had distributed before the meeting rather than attempting to redraft in Committee.

5. Treasurer's Report.

DD reported that she had transferred £5000 from the Current Account to the Savings Account.

6. Planning Update.

DD mentioned a new application re Brook Farm (Broxbourne Borough but adjacent to Cuffley boundary). They are applying for permission to hold 25 weddings during the period March to October. Each event lasts four days including setting up and taking down. Potential disruption for Cuffley residents due to noise and traffic congestion. Further details to be obtained with a view to possible objection being made. **DD**

Note:- Items 4, 7, 10 and 11 could not be taken due to lack of time.
