5. Treasurer's Report and Banking

DD reported that some more subscriptions had arrived and a refund was made to a double payer. She suggested that the bank account be changed so we could make telephone transfers in the future. An additional signatory was required. LS volunteered to do so. MG had asked what arrangements had been made to update the records to show who had paid their subscriptions, DD to send a scan to MG re who has paid. MC to set up 2020 payment box to record payments, and will share with MG. DD will send them statement sheets.

6. Subs Collection

MG said there was a need to collect remaining subscriptions as we had not had an AGM when many payments were received. It was agreed to send out leaflets with an update insert in order to inform residents and collect remaining outstanding subs. SB was worried that due to Covid we might not be able to find volunteers to deliver leaflets and be prepared to collect subscriptions. MG to contact previous volunteers to ask if they will deliver the leaflets. LS asked if we only assisted members with problems. MG said we will help non-members but encourage them to join us.
