

Payment By Standing Order

The advantage of a Standing Order (S.O.) payment is that your NCRA subscription will automatically renew yearly & will also help us save time in administration. Thank you to those who have already set up a S.O.

Setting Up Your Annual Standing Order

If you wish to pay your yearly membership by S.O. please contact your bank to fill out the appropriate Standing Order form.

Our banking details are below. If you would kindly use your full address as a reference, this will help us complete our membership records.

It would also be very helpful if you could set up your S.O. to recur annually on April 30th.

Alternatively, you can pay by bank transfer as a direct credit, but please remember this covers only one year's subscription and needs renewing annually.

If you pay electronically, please send an email to the Membership Secretary: membership@ncragb.uk with your name, address and a brief note stating whether you are paying by S.O. or Bank Transfer.

All members, including Life Members, should provide the details requested on the membership form or by email to: membership@ncragb.uk

If requested receipts are provided by email.

The yearly NCRA subscription still remains at only £5 per household per year.
