Discussions continued regarding the 2 notice boards at Cuffley Station. MC had attended and removed old paperwork and placed new posters in them, further comment was made about the size of posters and whether the heading could be changed. MC said a lot of work had been put into designing these posters but he would look again at altering them if it did not involve a lot of work. MC also commented on the bad condition of the frames and would see what could be done.
MC said there would need to be discussions regarding the 2022 bi-fold leaflet and the AGM whether this should be held by zoom or in Cuffley Hall.
